We can arrange either *Lincoln Town Car sedan* or *SUV** transportation via Transtyle, to transport you from the airport to the hotel. A sedan will hold up to 4 passengers; an SUV will hold up to 6 passengers.

Curbside Sedan Service: \$30 plus 20% gratuity, per sedan. This can be arranged with the concierge prior to your arrival. When you arrive at baggage claim, you will call Transtyle and let them know you have arrived at the airport for your pick up. The driver will then pull up into position, and you can walk outside the terminal and meet the car.

Meet and Greet Sedan Service: \$50 plus 20% gratuity, per sedan. This can be arranged with the concierge prior to your arrival. The driver will be waiting for you in baggage claim, holding a sign with your name, to escort you to the sedan.

Cash or credit card (5% service charge) is accepted by your driver for either service.
*Please note that for SUV transportation, an additional \$20 is applied to the above rates.

Super Shuttle is the most economical choice for a single passenger. The cost is \$17 per person plus gratuity, from the airport to the hotel. It is a 7-passenger shared-ride van service that makes other stops along the way for other passengers. It operates 24 hours a day, but from 9am-11pm, you can simply walk outside the airport terminal and a dispatcher will put you on the next van. Otherwise, call to arrange your van in advance.

AAA/Yellow Cab, Apache Taxi, and Mayflower Cab are the companies that are contracted by the airport to provide taxi transportation. You can simply walk outside the terminal to catch one.

The cost is usually around \$25 per cab, holding up to 4 passengers.
