Dear Caress,

This note is to simply thank you and your wonderful staff for making our Macerich Company Conference so perfect in every way. From the professional services to the delicious food spreads to the attention to every detail, it was all done to perfection!

Please give Freddy, Ramon and the rest of the maintenance, valet and service staff my sincerest appreciation for all their attention to every detail!

Hopefully we can do it again in the future.

With Warmest Sincerity,
