National Sales Manager

Dear Noni

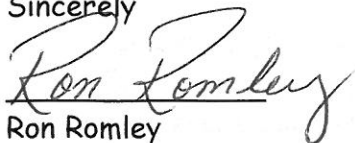

I just wanted to drop you a note to thank you and Caress Rodgers for making our 50<sup>th</sup> reunion exceed our expectations.

As you know, in the beginning of our negotiations, we were very concerned about the amount of people and rooms that we were obligated for. I appreciate you being so accommodating and understanding to our concerns as we took the room nights and dinners down. We are not a business; Just a group of individuals who put these reunions on every five years and are personally responsible for any extra monies that might be due. Luckily for the hotel and the committee, we exceeded our expectation by twice the number of classmates we anticipated coming to the event.

I also want to thank Caress Rodgers. After we settled in at the Hotel on Friday, she made sure that everything was up to our expectations. Throughout our time at the hotel, she kept asking me if everything was OK. Anything that we needed, she and her staff were right there to fulfill our needs, which was a big relief. I would also like to thank Freddie and Salvatore and many of the waiters and waitress that worked with us on the Saturday night event. They were pleasant and talked to all of our guests, just like we were old friends. I think it was that kind of personal touch that helped make our 50<sup>th</sup> Reunion event so very special.

Thanks again for the wonderful experience you made possible, and if we have a 55<sup>th</sup> reunion, the Valley Ho is already on the committee's short list.

Sincerely
